

Terms of use pipGIS®

You agree to these Terms on behalf of the company or other legal entity for which you are acting (for example, as an employee or contractor) or, if there is no company or legal entity, on behalf of yourself as an individual (in either case, "You").

You represent and warrant that you have the right and authority (as well as the capacity—for example, you are of sufficient legal age) to act on behalf of and bind such entity (if any) and yourself.

Web Services will be provided using processes and safeguards that are designed to help maintain the security of Your Content. We will make the Web Services available to You consistent with the way Promet i prostor makes such Web Services generally commercially available.

You acknowledge and agree that Promet i prostor d.o.o. owns all legal right, title, and interest in and to the Service, Content and Technology, including any intellectual property rights that subsist in the Service and Content (whether those rights happen to be registered or not, and wherever in the world those rights may exist).

License for pipGIS® Application System confers a non-exclusive, non-transferable, and time-limited right to use individual pipGIS® modules installed on the Executioner's server or on dedicated equipment unless explicitly agreed otherwise by the Contract. The contracting entity shall not be entitled to give under-license, sell or lease pipGIS® Application system or use it to train third persons, provide services or commercial uses, except as provided for in the Contract.

Upon Your acceptance of these Terms, you may access, download, view, copy, and print services and content available on pipGIS® application.

The obligations of the Executor do not refer to:

1. Maintenance of software products not ordered by the Contractor.
2. Amendments to software products that significantly affect the logical structure of the program and database.
3. Maintenance of database data if the Client does not follow the work instructions received by the Contractor regarding the security storage and archiving of data.

By using the Services, you agree to be bound by these Terms and our Privacy Policy. By using the Services, you represent that you have read and understand these Terms and our Privacy Policy and agree to be bound by the terms herein and therein.
